

BUNDESGESELLSCHAFT  
FÜR ENDLAGERUNG

# Anlage 16 (zum Datenbericht Mindestanforderungen gemäß § 23 StandAG und geowissenschaftlichen Abwägungskriterien gemäß § 24 StandAG)

## Schichtenverzeichnis Bohrung Brinkholz Z4

Stand 21.09.2020

Hinweis:

Vorliegender Datenbericht zeigt alle entscheidungserheblichen Daten, die mit Stand 07.09.2020 gemäß den Regelungen und Verfahren nach dem Geologiedatengesetz veröffentlicht werden können. Siehe auch BGE 2020I Teil 3 von 4.

## **Entscheidungserhebliche Daten und Tatsachen für die geowissenschaftlichen Abwägungskriterien**

Die Veröffentlichung von entscheidungserheblichen Tatsachen und Erwägungen, hier geologische Daten, erfolgt nach dem Gesetz zur staatlichen geologischen Landesaufnahme sowie zur Übermittlung, Sicherung und öffentlichen Bereitstellung geologischer Daten und zur Zurverfügungstellung geologischer Daten zur Erfüllung öffentlicher Aufgaben (Geologiedatengesetz – GeolDG).

Das GeolDG löst das Lagerstättengesetz ab und nach § 1 GeolDG (GeolDG) regelt es die staatliche geologische Landesaufnahme, die Übermittlung, die dauerhafte Sicherung und die öffentliche Bereitstellung geologischer Daten sowie die Zurverfügungstellung geologischer Daten zur Erfüllung öffentlicher Aufgaben, um den nachhaltigen Umgang mit dem geologischen Untergrund gewährleisten und Geogefahren erkennen und bewerten zu können. Geologische Daten werden insbesondere auch für das Standortauswahlverfahren nach dem Standortauswahlgesetz (StandAG) benötigt.

Das GeolDG trat mit dem 30.06.2020 in Kraft, so dass seitens der BGE, den Landesministerien und Landesbehörden ab diesem Zeitpunkt mit den Verfahren nach dem GeolDG zur Kategorisierung und öffentlichen Bereitstellung geologischer Daten begonnen werden konnte. Die erforderlichen Verfahren waren aufgrund ihres Umfangs nicht in dem bis zur Veröffentlichung bestehenden Zeitraum umzusetzen. Insofern werden nach dem 28.09.2020 weitere geologische Daten veröffentlicht werden. Die Veröffentlichung erfolgt mit Hilfe einer Revision des vorliegenden Datenberichtes. Dabei werden die bisher im vorliegenden Bericht weiß abgedeckten Bereiche nicht weiter abgedeckt, sondern die „darunter liegenden“ Daten sichtbar gemacht.

Mit diesen Anlagen sind der untersetzenden Unterlage (BGE 2020I) die entscheidungserheblichen Daten zu den Mindestanforderungen und geowissenschaftlichen Abwägungskriterien angefügt. Die darin angegebenen Koordinaten beziehen sich dabei immer auf die den identifizierten Gebieten und Teilgebieten zugrundeliegenden Daten und beschreiben damit nicht zwingend das Teilgebiet selbst.

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry, no matter how small, should be recorded to ensure the integrity of the financial data. This includes not only sales and purchases but also expenses and income. The text explains that proper record-keeping is essential for identifying trends, managing cash flow, and preparing for tax obligations. It also notes that consistent record-keeping can help in resolving any disputes or discrepancies that may arise over time.

The second part of the document provides a detailed overview of the accounting cycle. It outlines the ten steps involved in the process, from identifying the accounting entity to preparing financial statements. Each step is explained in detail, with examples provided to illustrate the concepts. The text highlights the importance of each step and how they interrelate to form a complete and accurate picture of the organization's financial performance. It also discusses common pitfalls and how to avoid them to ensure the accuracy of the financial records.

The third part of the document focuses on the classification of accounts. It explains the different types of accounts used in accounting, such as assets, liabilities, equity, revenue, and expense accounts. It provides a clear understanding of how these accounts are classified and how they are used to record transactions. The text also discusses the importance of using the correct account codes and how this affects the accuracy of the financial statements. It includes a list of common account codes and their corresponding descriptions to help readers identify the correct account for each transaction.

The fourth part of the document discusses the importance of reconciling accounts. It explains that reconciliation is the process of comparing the organization's internal records with the bank statements to ensure that they match. This process is crucial for identifying any errors or discrepancies and correcting them in a timely manner. The text provides a step-by-step guide to performing account reconciliations, including how to identify and investigate any differences between the internal records and the bank statements. It also emphasizes the importance of reconciling accounts regularly to maintain the accuracy of the financial data.

The fifth and final part of the document discusses the preparation of financial statements. It explains that financial statements are a summary of the organization's financial performance over a specific period. It includes the balance sheet, the income statement, and the cash flow statement. The text provides a detailed explanation of each statement and how they are prepared. It also discusses the importance of presenting the financial statements in a clear and concise manner that is easy to understand for all stakeholders. The text includes a sample set of financial statements to illustrate the format and content of each statement.

...the first time I had ever seen a man who was not a white man.

...the first time I had ever seen a man who was not a white man.

The first part of the document discusses the importance of maintaining accurate records in a business setting. It highlights how proper record-keeping can help in decision-making, legal compliance, and financial management. The text emphasizes that records should be organized, up-to-date, and easily accessible to relevant personnel.

Next, the document addresses the challenges of data management in the digital age. With the increasing volume of data generated by various sources, businesses face significant challenges in storing, securing, and analyzing this information. The text suggests implementing robust data management strategies, including data backup, security protocols, and the use of advanced analytics tools.

The third section focuses on the role of technology in enhancing business operations. It explores how cloud computing, artificial intelligence, and automation can streamline processes, reduce costs, and improve efficiency. The text notes that while technology offers numerous benefits, it also requires careful implementation and ongoing maintenance to ensure it remains effective and secure.

Finally, the document discusses the importance of employee training and development. It argues that investing in the skills and knowledge of the workforce is crucial for long-term success. The text provides insights into various training methods, such as on-the-job training, workshops, and online courses, and emphasizes the need for a continuous learning culture within the organization.
